

STAND UP FOR YOUR RIGHTS

After school we go outside
And meet our friends cause it's our right
Kids need time to be themselves and healthy

Stand up for your rights

Uhhhh

Let them be your lights

Uhhhh

Stand up for your rights

Uhhhh

Realize they're your guides

Uhhhh

Doesn't matter where you're from
Hear our voice come on, come on
It's the time to widen the horizon

Stand up for your rights

Uhhhh

Let them be your lights

Uhhhh

Stand up for your rights

Uhhhh

Realize they're your guides

Uhhhh
